## STS-112 preparations on track for Wednesday launch

Final preparations for the Space Shuttle Atlantis' STS-112 mission to the International Space Station are continuing on schedule. Final ordnance operations are complete. Launch countdown preparations and aft closeouts continue and the Extravehicular Mobility Units also are being installed. Mission managers continue to monitor several tropical storms though none are expected in the Kennedy Space Center, Fla., area in the near future and no work is being held up as the launch approaches. Launch is scheduled for Wednesday.

## Maxiflex tour information sessions opening

Employees are invited to either of two question and answer sessions to discuss the new maxiflex tour schedules. The maxiflex tour is intended to increase an employee's flexibility in completing the basic 80-hour pay period. Maxiflex will be available Oct. 6. The information sessions are from 9-10:30 a.m. Tuesday in Bldg. 4200, Room P110 and from 1-2:30 p.m. Oct. 3 in Bldg. 4663, Room A164. For more information on the maxiflex tour, go to [http://hrd.msfc.nasa.gov/maxiflex\\_info.html](http://hrd.msfc.nasa.gov/maxiflex_info.html).
